JULY 2002

www.rsocbristol.co.uk

Welcome to the July Meeting This Evening

In tonight's meeting we are holding our annual Mini show and shine competition , every RS Car in the Car park will be eligible to entry , we also have a polishing company doing some demo's , Steve is the gent doing this for us this evening , many thanks Steve, all the results will be chosen by voting slips and these you will find on the back page of this newsletter .

A small raffle will also take place during the evening

Last Month Meeting

Last months meeting took the form of our Time Trails competition , it was very disappointing to find that only 3 or 4 people took part in this event , however it was brilliant to see so many members attending and we also had a BBQ on the go.

Events and Shows

The up to date show calendar appears on the next page of this newsletter .

We were hoping to bring you the second of this years show reports on the shows we have

attended up to now , but I am still waiting for the document to arrive in my in box , so next month the report should be sorted !!

Here is a small report sent to me via e-mail by Steve Warren .

Just a quickie to tell you that the Middlesex show was a very nice day out (!?!“*?^ !*.) Anthony, Michael & myself plus Dean with

the white 3 door was the total turn out for our club, which was a piss poor turn out.

Anthony's car was chosen by Middlesex as car of the day from our stand.

I asked the lads from Dorset to choose for our club positions. Anthony was 1st, Michael & me were joint 2nd and Dean was 4th.

Aug meeting 15 .08. 02 Outdoor Games

We all spent to much money and had a good time. Thank you Steve

Aug Meeting , this will be an out door games evening on the similar vein as last years , rounder's etc , etc, and maybe a BBQ .

The biggest ALL Ford show takes place on Sunday 4th Aug , it is Ford Fair , this year it moves to Silverstone , we the Bristol Group are hoping to put on a club display , this is to represent the RSOC , and some of us will also be attending as visitors to the show .

Rallye Supercar Day SAT 27th JULY Castle Race Circuit

Castle Combe 2002

I hope like me , you had a very enjoyable day at this years Castle Combe event on Sat 13th July , the weather was perfect , with lots to see and do (for most !) what else can you ask for on such a fantastic day .

May I take this opportunity to thank everyone who helped out on the day , it was hard going at times , but many , many thanks , and a big thank you to all fellow committee members for all their had work over the past 12 months , we have had our share of dilemmas along the way , but, hey , it was brilliant, just look at ALL the Fantastic comments on the RSOC web site bulletin board and so planning starts soon for CC2003 which should be even bigger . Watch this space !

The day was a great success considering the competition ie events taking place on the same weekend ..

Full report should be published very soon , a few magazines will also be publishing their photos , etc soon .

National Day

As we all know this years Nat Day takes place on Sunday 18th August at Donington , however this year there is no special entry price for bulk buying , but just ½ price entry available in advance only , with this in mind ,we are purchasing a few entry passes , BUT only once money has crossed my hands , don't forget on the day entry will cost per person £10.00 each , you have been warned !

Dead line is Tonight .

Trax's 2002

kets and show passes for this show are still currently available at £5 each , (£15.00 each on the day) but only in limited numbers , on a first come , first served basis , buy yours now ! , or you will be too late .

Web Sites

For those of you who have tried to access the Bristol Group web site only to find that it has not been updated recently Alex has now successfully moved to Sunny Weston by the sea , so you should be able very soon to see a very up to date web site .
