Welcome To The June Meeting Tonight

Tonight's meeting is our annual Time Trials competition evening this has been arranged by Simon Drake , and we would like most if not all members to take part in this competition , with prizes for the winners .

The 'Car of the Night' will take place , and a FREE BBQ

Last Months Meeting

In last months meeting we had a very major hiccup in the fact that we could not gain entry into the Rugby Club building , but all was not lost as Mark Brotherton very kindly made a trip to Asda to bring back the drinks ... Thank you Mark . We also ran a BBQ , or should that be John Yandell very kindly ran the BBQ , thank you John , and the ICE sound off competition was arranged by Simon D , well done to the winners .

It was fantastic to see so many members on that warm

evening , but sorry about the hiccup with the Rugby Club , I be live we can blame Sue Taylor , the lady who runs the

Site, as she has muddled up the Thursdays even after having confirmation of All the dates months ago .

Next Months Meeting

In next meeting we hope to bring you the first of this years Mini Show and Shine Competitions . And also reflect on

CC2

the
MA-
JOR
event
which
takes
place
the

weekend before .

Castle Combe 2002

In last months meeting we had a very good response from a lot of members wishing to take part in this years Castle Combe Event , BUT we need every one to take part , IT IS YOUR DAY , so come on and be part of it , you will regret it if you miss it .

The show & Shine competition is now to be sponsored by 'Western Auto Weekly' and the charity rides are almost the

same as last years , with 2 more rally cars , you definitely do not want to miss this bit alone as we do our bit for charity.

Star Radio 107.4 will be running the adverts for 2 weeks just before the event together with a competition .

CC2002
Sat 13th July at
Castle Combe

The 10,000 flyers are now in colour , of which we would like to ask ALL members grad a handful to distribute as they are out and about , placing them on car windscreens etc and the ads are out in force now with the full colour page in the currant issue of RN . However we are looking for some dedicated helpers to assist on the big day for a few hours , as we organisers can not do it all ... But you will be rewarded .

Web Site

If you have recently tried to access our web site , you will have seen that the sites have been down a little longer than

hoped , this was due to Alex moving house etc etc , but the sites are a little behind the times but they will be updated ASAP .

Shows

On the next page of this newsletter you will find an up to date Show calendar , this details all the shows which we the Bristol Group will be attending this year , it will be updated as required listing any other shows we hope to attend

Please speak to Simon this evening if you wish to attend the SUPER CAR day on Sat 27th July as the spaces will be booked early next Week, and this will happen only if you have paid . You have been warned ! Entry to the paddock is only by pre - booked passes . A show report is also attached , sorry for those hoping to read last months show report , but I

did not receive any thing from Simon for what every the reason! If you get to know of any show taking place which may be of interest to your fellow members , please let one of the committee know as we may be able to attend as a club display .
