Cheltenham and more !

MARCH 2002

www.rsocbristol.co.uk

Welcome to the March Meeting Tonight

In tonight's meeting we are holding our Fun and Games evening and every one is to take part in this evenings event .

The car club will pay for the full price of each game played or used this evening and you never know , there may be prizes for the winners .

A small raffle will also take place during the evening

Last Month Meeting

Last months meeting took the form of our Annual General Meeting as required by the National RSOC , no changes appeared at the committee level but we did welcome Alex Dando on to the Committee of this the Bristol local group of the RSOC . for his ongoing

services to the web site , this is the area we believe we can gain lots of interest and greatly benefit the club in the long term .

However during the past month you will have noticed

that the site has not been updated , because Alex is in the process of moving and we are also looking to buy more web space as both sites will be taking up lots of space once the CC event site is up and fully running .

It was fantastic to see so many members attending this meeting particularly considering that Feb. normal is a very quiet month .. Thank you all for attending and we look forward to be seeing many more of you during the year .

Events and Shows

A fair few dates are now appearing for some of the shows

for this year , we have now issued a calendar of the shows and events , and we are now inviting any and we hope many , mem-

bers interested to come forward to take part in as many

April meeting Birthday Bash Free Food and lots more

as possible of them and have a good day out .

Simon Johnson is the gent you need to speak to , he cannot assume that you wish to attend any of the shows , so you need to do this very soon as some of the dates fill up very quickly or should this be spaces .

The up to date show calendar appears on the next page of this newsletter .

Do not forget to speak to Simon Johnson if you would like to attend any of the listed shows , do it now as in some cases there is a restriction on the number of members able to attend due to places available .

This year Ford Fair is taking place at Silverstone , with that we hope we may have a group display after many years of not being able to , Steve Coleman , contacted me (Ian) af-

ter he had seen the request to local groups wishing to apply for display , this was requested by Steve in an e-mail and followed up by a letter from myself.

April Meeting , this is our Birthday bash evening , what with free food and other exciting things , you can not afford to miss this meeting .

May Meeting , we are holding the annual ICE Sound off and hopefully a BBQ

June Meeting , get your maps ready for a Time Trails event

July Meeting , A quite meeting after CC2002 but we will run a mini show and shine

Castle Combe 2002

In last months meeting we issued to any one requesting an application form for this years Castle Combe event , there are still lots of places available and we want everyone to take part in this event which will be the best so far , but don't leave it to late as very soon the adverts will come out in force together with the thousands of flyers we hope to issue at all the shows we attend .
