## Welcome To The Feb Meeting

### Tonight

In Tonight's meeting it is the Annual General Meeting time again , with more details on the following pages, however we will also bring you a quiz with some super prizes for the winners and we hope also to bring you a small raffle .

### Last Months Meeting

In last months meeting we had our first quiz of 2004 , well done to the winners and thanks Simon for the questions , we also as promised we presented all the trophies from the past show season and there where lots of them , thanks to Simon for arranging all of them , those members who did not attend last months meeting , we will give them out this evening , and it was brilliant to see so many members that evening as it was only January.

### Next Months Meeting

Next months meeting is Thursday 18th March and we will be running a 'play station' competition and may be some prizes for the winners .

### Castle Combe 2004

CC2004 looks like it will be even bigger and better, it will

take place on Sat 10th July 2004 so put this date on your calendar now .

This years parade laps choices are fantastic and very interesting as they slant towards Ford cars in general but still retain the sports feel ie Fiesta RS, Probes, Ka's, Racing Pumas, RS500's and the Charit in 2004 is the Macmillan Trust , a few of the entry prices have increased slightly but they remain the same to both Bristol and Swindon group members , so you are saving even more being a local group member . Application forms are now available please ask Ian for you copy , don't forget you need to apply in advance for the reduced prices by using the application forms as the prices are just for the local groups members .

The updated web site is now on line and we have a new web address , [www.rscambe.com](http://www.rscambe.com) , well done to Alex who has worked hard on the site .

### Shows

This years show season is about to start or be it in a couple months time , the 2004 show calendar is now on the following pages , and is look-

ing very full with more shows than in 2003 but with a few shows classing , if you wish to take part in any of them, then speak to Chris ASAP and if you know of a show happening in 2004 , then please let Chris know ..

### Web Sites

Just to let you know that the web site is currently down due to a major revamp of which Alex is updating with all the important stuff , the newsletters will now be available to down load as a pdf file , and will look the

real thing now and in colour .
