Welcome to the January Meeting This Evening

In tonight's meeting of which this is the first for 2004 , and a very Happy New Year to you all , it is the 'Bring and Buy' evening , or car boot sale but inside and as promised we will try to hand out all the trophies from the last show season , which was 2003, and there are lots ! , and we will also try to run a small raffle as well ..

Last Month Meeting

Last months meeting was the first to be held in December due to repeated requests, and due to the Christmas party's , as was requested by a few members , however this was held in the McDonalds restaurant in Cribbs Causeway , but was just a formal meeting but It was fantastic to see so many members coming along that evening , thank you .

Next Months Meeting

February 19th is our next meeting here at the NBRC and it is our Annual General Meet-

ing , this we have to hold according to the rules and regulations laid down by the RSOC National Committee , after the AGM we will run a small quiz with some super prizes .

Events and Shows

The 2004 show season is due to start in the next few months and already there appears to be a fair few dates already filled , as shown on the next page , in fact a few more than in 2003 , if you wish to take part in any of these shows then you need to speak to Chris Richards , more shows will be added as and when the dates are known .

During the show season we run a club competition for the 'Car of the year' everyone who attends any of the listed show will gain points and they are as follows , 1st = 10 points . 2nd = 6 points , 3rd = 4 points , and just for attending

you gain 8 points , which as you can see soon adds up to a fair few points during the show season and the owner with the great-

est number of points .. is presented with the Car of the Year award .

Castle Combe 2004

CC 2004 is planned for Sat 10th July 2004 , plans are now taking place to bring you a even bigger , better day in 2004 , if you have any ideas then please speak to either Simon Drake or Ian and don't forget it is your day as much as ours .

Application Forms should be ready by the end of January , if not before and the entry prices for the Bristol and Swindon local groups members remain the same as in 2003 .

Christmas Party

Yes , the Christmas party went very well and every one was will behaved , as expected , a good time was had by all , with some super prizes in the raffle , which included a DVD player , a cuddly toy

and entry passes to a few of the popular shows , for those who didn't attend , you just do not know what you missed , but a big thank you to every one who come along to the

party and I hope you enjoyed the event , roll on this years ! , however I need to collect the remaniing money from the members who attended the party .

Flags & Banners

During the past few months Chris has been looking at the possibility of buying more suitable flags for the Bristol Group as the currant ones are heavy and big to transport , however Chris has now found a supplier who can supply us with the ones we want ie narrow, tall , and light weight , which will make life a lot easier to transport them

to the many shows we have planned , the flags will be ordered within the next few days and will be with

us in the next few weeks , the proofs look fantastic and look similar to the few pictures shown on this newsletter .

Car parts for sale

Due to a few requests we have started to produce a list , etc of all the parts which members

may have to sell , this can be viewed each and every month on the lap top computer and will be updated as required , so if you have any thing of interest then please complete the form over-leaf and hand to Ian , however it is limited to a max of 5 items per member , but we need to know when the item has been sold and the entry will be deleted after 2 months ,
