## **Welcome To The March Meeting**

### **Tonight**

Tonight's meeting we hope to bring you the mega quiz, this will run by your quiz master Mr Simon Drake (he loves it really), with some super prizes for the winners and we also hope to bring you the every popular raffle.

### **Last Months Meeting**

In last months meeting we planned to run a bingo session but this did not happen and we also ran you through the AGM as required by the national RSOC, you will be pleased to learn nothing has changed for the next year.

In the January meeting the Bristol Group of the RSOC was 25 yrs old and it is one of the longest running groups to date, the meet-

ing first was held at the Compass Inn back 25yrs ago to which we moved here at the NBRC about 7 yrs ago, but due to the bad weather, this happened in the February and to celebrate this momentous occasion, Mr Simon Drake, our current chairman (and dogs body) lit the 60 shot firework at about 8.30pm..... It was great to see must members went outside to watch, and a big thank you to Simon who let it off in a very well behaved manor.

As mentioned in last months meeting... To celebrate the 25 yrs of the Bristol Group on the meeting we are planning to have a FREE BBQ etc and inviting all past and present members along for a good party here at the North Bristol Rugby club... Watch this space for more details.

Ian also celebrated his 50th birthday, thank you for the cake etc and the card.

### **Shows**

This years show season for 2009 is just around the corner and is just about to start, and with that in mind, as last months meeting we provided everyone with a spreadsheet

detailing all the shows we plan to attend this year, the forms should and need to be returned to Mark B... Our show coordinator, if you did not receive your spread sheet please ask for a copy, because if you have not completed a form then we have no idea if you wish to attend any of the shows.

Track sessions for the shows will be sorted by Ian, so if you require track time please ask Ian ASAP.

### Ford News

The new Focus RS: you'll either love it ...or really, really love it. Based on the new Focus ST, beneath the athletic exterior lies a formidable power unit and advanced racing technology. A wider track, turbocharged 305PS engine and advanced suspension mean it will accelerate from 0-100km/h in 5.9 seconds, with its performance more than matching those stunning looks. Ford kinetic Design shapes its dynamic exterior, and the exclusive 'Ultimate' green coachwork, updates the classic 1970s Ford Le Mans Green – contrasting brilliantly with black detailing to produce an eye-catching, contemporary look.

**WE HOPE YOU ENJOYED THIS EVENINGS MEETING AND WE LOOK FORWARD TO SEEING YOU AGAIN AT NEXT MONTHS MEETING ON WEDNESDAY 15th APRIL**
